

### New Testament study of the phrase, “have the rule over.”

This phrase has contributed in a great way to the hierarchical thinking that God has placed certain men to be in a place of authority over others in the Body of Christ. Anyone who has studied this with an open mind and an ear to the voice of the Holy Spirit has found that we are all equal in Christ Jesus. The truth reveals that rather than one “ruling over” another, God desires that we all serve one another and be living examples of the grace of God.

Read all the Greek word definitions and the words into which they were translated. Then, read the passages quoted from the English Majority Text Version of the New Testament. This will be a most enlightening “journey” for those desiring to “hear” the heart of the Father. So much is revealed when we see how these words are used in the various passage contexts. Too much error results from verses being taken out of context. What a grave insult to the Spirit of Grace who was given to lead us into all truth!

God bless you richly as you study His Word in this in-depth fashion.
